LIBERTY PARKS AND RECREATION MISSION STATEMENT

Liberty Parks and Recreation is powered by a team of dedicated professionals who are committed to community impact, improvement, and innovation. We believe that creating community connections by providing the highest quality parks, programs, services, and facilities is essential to a prosperous and healthy community.

Objective and Goals:

The Liberty Parks and Recreation youth soccer program is designed to give all boys and girls, through participation in practices and competitive games, the opportunity to learn and improve the fundamentals of the game of soccer.

Coaches:

- Shall, above all, have the welfare of each child as his or her main objective.
- Must have reasonable knowledge of the game.
- Shall act as an example of good conduct and sportsmanship to his or her team in all league matters.
- Shall place emphasis of coaching on learning rules and fundamentals, participation, and personal enjoyment.

Sportsmanship:

Team members, coaches and spectators shall exhibit appropriate behavior toward other players, coaches, spectators, and officials. Unsportsmanlike conduct from team members and/or associates, including spectators, will result in one or more of the following:

- Player, coach or spectator ejection from the game
- Player, coach or spectator ejection from the league
- Player, coach or spectator suspension
- Forfeit of game

During the game, the officials have the authority to eject players, coaches and spectators. The Parks and Recreation Department has the final authority on determining the duration of suspension or other penalty. Any player (if he/she has a way home) and/or coach ejected from the game must leave the playing area. Failure to do so may result in forfeit of game. Anyone ejected from a game will be suspended for the next game.

Administration:

The Liberty Parks and Recreation Department facilitates the youth soccer program. Decisions that are rendered by the Parks and Recreation Department are final. The National Federation of State High School Associations Rule Book and the Federation International de Football Association (FIFA) are governing body of rules for our leagues unless superseded by specific youth baseball and softball program rules as set forth by the Liberty Parks and Recreation Department.

Protests:

Officials' decisions in all matters are final. There shall be no protests except in cases of violation of the minimum playing requirements. Intent to protest must be so noted in the scorebook by an umpire at the request of the coach within five minutes of the conclusion of the game. The protest must then be reported to the Parks and Recreation Department by the protesting coach the next working day. Report may be made in person or by phone.

Uniforms & Equipment:

- Conform to FIFA with the following exceptions:
- Shin guards are MANDATORY
- A player must not use equipment or wear anything that is dangerous to himself or another player (including any kind of jewelry).

General League Rules:

Fouls and Misconduct: Conform to FIFA with the exception that no cautions or ejections shall be issued to players

Fouls and Misconduct: Conform to FIFA with the following exceptions:

All fouls shall result in an indirect free kick with the opponent five (5) yards away.

The referee must explain ALL infractions to offending player.

Team Composition: Teams and games may be coed.

The Start and Restart of Play: Before a kick-off at the start of the match, a coin is tossed and the team that wins the toss decides which goal it will attack in the first half of the match or if it would like to start with the ball.

Game Time:

Games will start promptly as scheduled. A team must have seven (7) uniformed players to start or continue a game. A 5-minute grace period is allowed from the scheduled starting time. The umpire's watch is official.

Weather Policy:

The umpire/supervisor has final say on whether a game will be temporarily suspended or postponed due to weather conditions or poor field conditions. If lightening is in the immediate area, the game shall be suspended immediately.

In the event a game must be suspended because of conditions which make it impossible to continue play, the head referee or league supervisor shall declare it an official game if one complete half or more of the game has been played. If less than one-half has been played, the game will resume from point of interruption. If the game is unable to resume that day and is not considered a complete game, the game will be rescheduled and will start all over.
